

OMID AKHAVAN

Omid is an award-winning management consultant, trainer, and coach. He began his consulting career at IBM (USA), where he worked as a Managing Strategy & Transformation Consultant. For 15 years, Omid has helped organizations in areas such as operational excellence, process improvement, business transformation, strategy execution, and performance management.

Omid shifted his focus exclusively to OKRs in 2018. He has now trained 1,000+ employees and helped 50+ organizations to optimize their use of OKRs. In 2019, Omid received his OKRs Coach certification from OKRs.com and now works with Ben Lamorte to deliver OKRs coaching around the world, with a focus on the EMEA market to address Europe, the Middle East, and Africa.
